FEE SETTLEMENT RESPONSIBILITY

Parents are required to settle each term's fees promptly before commencement of the school term. Penalties for late payments will apply as per the fee policy.

Students will not be allowed to attend school if the fees remain outstanding as per the fee payment timelines unless prior arrangements have been secured with the Head Teacher by the parent/guardian to pay in instalments.

At the start of each term, penalties will be computed on cumulative outstanding balance @ 5% per term. Additionally, the school reserves the right to ask a student to remain at home if his/her fees are outstanding. Although every effort will be made to engage the Parents/Guardians in finding payment solutions.

Any dishonored cheque will attract a penalty of KES 2,500 plus late payment penalty (where applicable).

INSTALLMENTS' OPTION

Where parents are unable to make a lump-sum payment of the term's fees, an application may be made to the Head Teacher before commencement of the school term to request for a payment plan of three (3) instalments.

The first instalment will be 50% of the term's fees payable before the commencement of the term and the balance will be paid in two (2) equal monthly instalments of 25% each by the 1st of the following two months.

Application for payment via the installments option must be accompanied by a duly signed commitment letter as a personal guarantee and post-dated cheques.

In the event that one of the instalments is defaulted upon, parents/guardians will be required to pay the entire remaining amount within 3 days to allow the child to remain in school and all future options for instalments will be withdrawn.

Parents/Guardians needing longer payment periods or instalments are advised to make their own arrangements through financial institutions.

DISCOUNTS

The school is authorized to give sibling and annual discounts as illustrated below:

Sibling Discount

5% Discount on Tuition fees for the 2nd and subsequent children - based on lowest tuition fee.

Annual Payment Discount

5% Discount on Tuition fees for pre-payment of full year's fees in advance.

NOTIFICATIONS & REFUNDS

Fees are non-refundable after the first day of the term once the student attends school.

In exceptional circumstances, for instance, medical circumstances affecting the student and verified by a credible Doctor's note, 50% of the term's fee may be refunded after consultation with the CEO.

If a new student does not report to school, the fee may be fully refunded (except admission fee) provided the parent/guardian gave one-month notice in writing before the commencement of the term.

Parents/Guardians who have pre-paid a whole year's fees are eligible for a refund of subsequent terms' fees provided a notice is given at least one term prior to the subsequent term. Any discounts redeemed on this payment option will be recovered in full.

If a student wishes to withdraw from the school for any reason, it is requirement to provide a full term's advance notice in writing to the Head Teacher. Failure to meet this requirement, one term's tuition fees will be charged in lieu of the notice period and the school clearance certificate will only be issued once the account including the notice pay is settled in full.

In the event of default, the school reserves the right to:

- * Send the student home
- * Withhold Examination Registration
