The AKELC offers the following for children age 1 through 4 years of age:

High Quality Nursery and Educational Programmes

- Broad, holistic early childhood education
- Secular and non-denominational focus
- Responsive and caring early childhood educators
- Extended hours for working parents

Bilingual (English/Arabic) curriculum focus

- Inclusive and interactive approach to teaching and learning
- Supportive of children's home language and emerging bilingualism
- Promotes appreciation of diversity and pluralism
- Based on well researched child development practices

Morning and afternoon sessions for children

- Range of early childhood options to meet children's needs
- Daily routines that stimulate social, physical, and intellectual development
- Planned educational opportunities provide active, participatory experiences
- Purposeful indoor and outdoor spaces encourage play, creativity and learning

Classes and resources for parents and caregivers

- The Centre welcomes parents to participate in their children's learning journey
- Parenting workshops and classes are focused on parent requests
- Regular communication via newsletters, email, diaries and displays
- Parents are encouraged to serve as volunteers and advisors to support Centre activities
